

Easy Pot Holder Tablesetting

Supplies you will need:

1 Potholder

Ribbon

Holiday Picks

(I found all these supplies
at the dollar store)

Safety Pin or
Hot glue gun

Step 1:

I used a round pot holder for this one. Fold over pot holder to form a cone looking shape. Safety pin inside or hot glue to hold in place. I used a hot glue gun.

Step 2:

Then fill with silverware and holiday picks, tie a bow around it and you're all set!
